

How Daily Appreciations Started

The main goal of this DAILY APPRECIATIONS project is to increase our awareness of whom and what we appreciate. We would like to thank more than 60 participants who contributed more than 2000 appreciations as of August 2007! Together we have increased the awareness of every individual's power to make a positive difference in people's lives through expressing appreciations.

We are grateful to Pierre and Pam Omidyar, Thomas Kriese, Haney Armstrong and their dedicated and talented staff for their support and assistance to help "people discover their own power to make good things happen." The Daily Appreciations project was co-created with new friends in the Omidyar.net community. The Omidyar Team helped to make this project possible in Omidyar.net by providing the opportunity and platform for the participants to demonstrate the first version of this pilot project there. How can we thank you enough for helping to make this possible?

We wanted to save this project which was started at Omidyar.net by Dwan "Diane" Tai in Jan.2007. Dr. Elizabeth Garcia-Gray and Norbert Mayer-Wittmann soon joined as co-owners. We are fortunate and grateful that Marissa Garcia has agreed to design and maintain this DailyAppreciations.org for us. With a loan from Award International Inc., we are co-creating the second version of the Daily Appreciations project here. This project is co-sponsored by Allies Building Community Inc. (A.B.C .) a 501c3 nonprofit organization and the Archway Network.

We invite people to show their appreciations and support here in the future. We want to continue to provide a gentle, cushiony, warm-hearted space, a place where people are appreciated and respected, not deprecated.

We would like to acknowledge and thank Dr. Elizabeth Garcia-Gray ("Liz") for suggesting the name and for her ongoing leadership and support. I appreciate Norbert, David, Phyllis, Brian, Alexandria, Debra and many others for their valuable ongoing active participation, assistance, guidance and support. We appreciate all the new friends and appreciators from A.B.C., Omidyar, Meetup and the Archway Network!

By posting your appreciations at DailyAppreciations.org, your words could be viewed by others and the impact of your words will be magnified to become a powerful spiritual force for peace, joy, friendship and prosperity in the world -- from "people to people," nation to nation.

Thank you very much for taking the time to make your kind and generous contributions of creative and inspiring DAILY APPRECIATIONS! See the left column for navigation choices.
